Gleason Meadows & Frenchman's Bluff Trail System Elmira, NY

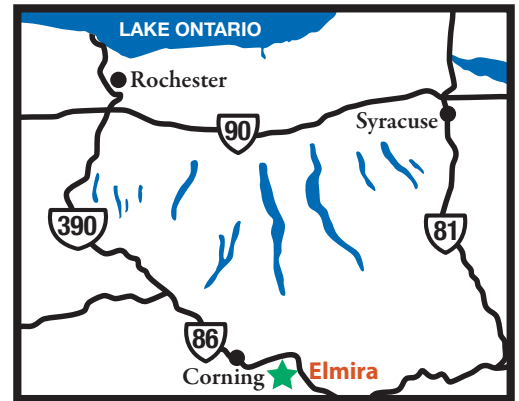

Distance .5 to 6 miles

Difficulty ★
to ★ ★ ★

The joint trail system unites 462 acres and offers 7 hiking trails that include two ponds which provide homes and a migratory way station for various birds. The meadows and abundant wildlife provide spectacular scenery and Frenchman's Bluff offers a breathtaking view of the Chemung Valley below. Tanglewood Nature Center, a regional nature center and museum located on site, provides an opportunity to experience a variety of birds and animals up close.
